

MAINTENANCE

Nimmo Bay Resort is hiring a Maintenance team member for 2022.

The Maintenance team performs routine and preventative maintenance to maintain the physical integrity and back end systems of Nimmo Bay Resort. A successful Maintenance team member will work collaboratively with the Maintenance team to ensure that the maintenance systems are running and preventively maintained. They are responsible for cleanliness and upkeep of property grounds, facilities, equipment, and various utility systems.

Our full-time shift is 21 days on and 10 days off, and our operating season runs from the beginning of May until the end of October. Transportation is provided to Nimmo Bay from Port McNeill on Vancouver Island, B.C., so the ideal candidate will be able to commute to and from Port McNeill for all shifts while working onsite.

SUCCESSFUL APPLICANTS WILL DEMONSTRATE THE FOLLOWING QUALIFICATIONS:

- Demonstrated knowledge and broad experience in general maintenance techniques and repair work.
- Certification or experience on diesel engines, gas engines, Electrical, or Plumbing, an asset.
- Proficient skills in operating various hand tools, power equipment, and commercial machinery.
- Great communication skills and basic computer proficiency.
- Self motivated, strong work ethic, and professional communication skills.
- Pool Chemical Certificate considered an asset.
- SVOP, Med A3, Radio Communication experience considered an asset.

Diversity & Inclusion statement:

We value our coastal relationships and we prioritize hiring neighbours from the surrounding indigenous communities where Nimmo Bay operates. If you are a local indigenous community member interested in applying, please feel welcome to connect with us directly and we'd love to hear from you.
